Dear Haley Wiggins:

It is my pleasure to inform you that at its April 17, 2026 meeting, the Commissions on Elementary and Secondary Schools of the Middle States Association of Colleges and Schools voted to award the following to The Family Place PCS, Adult Public Charter School:

ACCREDITATION

The term of accreditation is for seven years; therefore, your school's accreditation will expire on July 1, 2033.

At Middle States, an "Accredited" institution demonstrates excellence in today's educational landscape while building capacity for tomorrow's challenges. Your school meets all Middle States Standards for Accreditation, adheres to applicable Middle States policies, and fulfills the requirements of our comprehensive evaluation protocol.

As your partner in wise change, Middle States has designed your accreditation to go far beyond compliance—your achievement positions The Family Place PCS among institutions worldwide that embrace the challenge of strengthening excellence while preparing students for a rapidly evolving world.

At the beginning of the third year in your school's accreditation term, you are required to submit a Mid-Term Report in which you provide evidence that you are implementing your Plan for Growth and Improvement and of progress being made toward achieving your objectives. The Report will be reviewed by the Middle States staff, which will determine whether an on-site visit must be conducted to examine any areas of concern.

In the sixth year of the accreditation term, you will be notified to begin a new self-study to prepare for the next accreditation visit.

Please accept our sincere congratulations on this significant achievement and your recognition as an accredited member of the Middle States Association of Colleges and Schools. Your accreditation certificate is available digitally as a PDF on your dashboard, and you can order a physical certificate through our website. We encourage you to share this achievement with your community—parents, students, faculty, and board members—as evidence of your commitment to educational excellence and continuous improvement.

As a member of Middle States, you belong to a distinguished network of schools across 117 countries that meet internationally recognized standards of accreditation. More importantly, you are part of a community committed to winning the Game of Today—academic excellence—while mastering the Game of Tomorrow—future-readiness. Our team remains ready to support your ongoing transformation journey through our comprehensive suite of services, from professional learning to strategic consulting.

As you move forward, remember that accreditation is not an endpoint but a foundation for continued growth. We look forward to partnering with you in the years ahead as you navigate the exciting challenges and opportunities that define 21st-century education.

Sincerely,

Christian Talbot
President
